Pro-Tack Cohesive Foam Products

Pro-Tack - Our standard PE Cohesive product available in multiple thicknesses, slits, and perforations.

- Sticks only to itself, not your products!
- Cushioning stays in place to provide protection
- Tamper-evident and moisture resistant
- Save time and labor with one step placement and protection

Pro-Tack Plus - PE Cohesive Foam with lamination on one side for added strength and protection.

- Standard laminations of 1 and 2 mils, other thicknesses upon request
- Increased tear and puncture strength

Pro-Tack Plus Silver - Add the heat reflecting power of metal film to the product.

- Increased thermal performance and resistance
- UV protection

- **Slits under 6", add 20%**
- **Perforations under 12", add 20%**
- **Sheets and Bags Available**
- **Private Labeling**
