Pro-Stick Adhesive Foam Products

Pro-Stick - Our standard PE Adhesive product available in multiple thicknesses, slits, and perforations.

- Sticks in place and peels off of most products!
- Cushioning stays in place to provide protection
- Tamper-evident and moisture resistant
- Save material by sticking only what you need where you need it.

Pro-Stick Plus - PE Adhesive Foam with lamination on one side for added strength and protection.

- Standard laminations of 1 and 2 mils, other thicknesses upon request.
- Increased tear and puncture strength

Pro-Stick Plus Silver - Add the heat reflecting power of metal film to the product.

- Increased thermal performance and resistance
- UV protection
- Save material with thermal protection where you need it, no need to wrap it all.
